

A revision of the Road Traffic Law is in effect from June 1st, 2015.

There are some items regarding bicycles.

If you repeat a dangerous violation while riding a bicycle,
↓
you must take a class for bicycle riders.

Dangerous violations that objects to taking the class are • • •

- Disregard for traffic signals
- Failure to stop in designated places
- Riding a bicycle under the influence of alcohol
- Riding a bicycle without proper brakes
- Entering a railroad crossing inhibited by a crossing gate **etc.**

Flow of the class system

A bicycle rider repeats a dangerous violation

※ Twice or more within 3 years

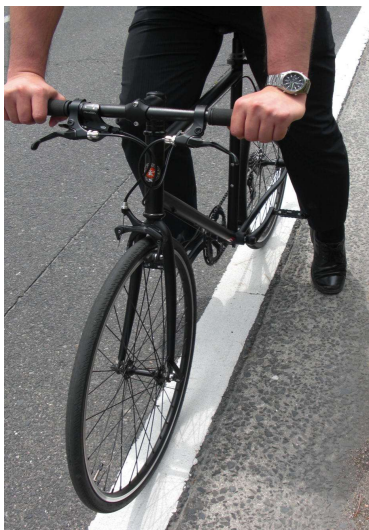

To prevent traffic hazards, Prefectural Public Safety Commission orders the bicycle rider to take a class

Taking a class

※ Class hours **3 hours**

※ Class fee **6, 0 0 0 yen**

※ The violation of the order to take a class

• • • A penalty of less than 50,000 yen

※ For particulars, apply to the nearest police station or Traffic Planning Division in Police Headquarters.
